Signature: _____ Date: _____

Carroll County Emergency Shelter, Inc. Group Volunteer Ideas

If you have a specific project in mind, wonderful!! If not, the following are a few suggestions:

- Shelter Beautification Project
 - Plant flowers
 - Create décor items
 - Clean up outdoors
 - Make minor repairs
- Donation Collections
 - Hold a clothing drive
 - Collect non-perishable foods
 - Collect paper or cleaning products
 - Collect school supplies
- Miniature Fundraisers
 - Hold a mini-fundraiser—carwash, raffle drawing, etc.
- Volunteer at Shelter Fundraisers
- Create craft projects for the children

For anyone interested in individual volunteer opportunities, please speak with us about it! We always need volunteers and interns. Anyone interested in direct-service volunteer work will need to attend training and submit to a background check. Please know, we cannot do what we do without the help of group and individual volunteers. Your commitment to assisting us in our work of serving victims of domestic violence and their children is deeply appreciated!

Please keep a record of your volunteer hours with the sheet provided. If it is a group effort (example: 3 people spend 1 hour each collecting and sorting clothing donations) please count each hour spent by each person, therefore that would be 3 hours total. Thank you again and please know we need and appreciate you!
